The Head of People Compliance has been appointed to take on the responsibilities of EEO Coordinator. The EEO Coordinator will be responsible for the day to day implementation and monitoring of the Company's Affirmative Action Plans for Protected Veterans and Individuals with a Disability. As part of that responsibility, the EEO Coordinator will periodically analyze the Company's personnel actions and their effects to ensure compliance with our equal employment policy, educate employees and leaders on their roles in maintaining compliance and fostering an inclusive workplace, and administer the audit and reporting system.

If you, as one of our employees or as an applicant for employment, have any questions about this policy or would like to view portions of the Affirmative Action Plans for Protected Veterans or Individuals with a Disability during regular business hours, please contact [HR@openai.com](mailto:HR@openai.com). Voluntary self-identification as a protected veteran or individual with a disability is available during the hiring process, and employees may review or update this information at any time in Workday.
